USAID BUILD-IT & Dow Vietnam STEM Program:
eProjects Innovation Showcase

Location: Hall A, Ground Floor, Cao Thang Technical College,
Time: 8:00 – 12:10, Tuesday, March 16th, 2021

Overview:

Innovation Showcase is an exhibit of student-produced eProjects, demonstrating how BUILD-IT students solve real-world problems with innovative and imaginative solutions. Collaborating with industry partners, students work on creating solutions to meet tangible industry and societal needs. Innovation Showcase enables creators to produce, refine and develop new inventions, new methodologies, new creations and new ideas.
